this is strikingly beautiful one of the best i ve read from you one somewhat rambling thought i took away from this post oddly enough is that in the face of a potential superintelligence the status quo is not the only alternative to trying to build a friendly ai, **burdens slate star codex** - i felt like a burden then i discovered john stuart mill and milton friedman and they said people deserve to determine the course of their own lives and you own yourself and stuff like that and i started entertaining the idea that i deserved to live by virtue of being human, **the false allure of group selection edge org** - i am often asked whether i agree with the new group selectionists and the questioners are always surprised when i say i do not after all group selection sounds like a reasonable extension of evolutionary theory and a plausible explanation of the social nature of humans, **why everyone is religious or rather nobody god** - evolution no more disproves the existence of a creator designer of this universe than the discovery of gravity did for newton and einstein if your talking about a deistic god then one as the insurmountable problem of the finitude of the past as well as the origin and existence of the laws of science themselves which are the foundation of evolution, **rediscovering consciousness in people diagnosed as** - rediscovering consciousness in people diagnosed as vegetative often people with bad brain injuries seem unresponsive but many still have thoughts feelings and memories flickering in and out of consciousness, **why dalmatians are a train wreck border wars** - there s a lot of blame to go around concerning why dalmatians are a train wreck of a breed and the favorite targets of such scorn are disney and backyard breeders neither of these are responsible for the problems facing dalmatians being a dalmatian is the one and only factor to blame, **george bernard shaw can his reputation survive his dark** - notes from above ground by honey van blossom honey is a belgian marxist former strip tease artiste juan bautista de anza 1736 1788 proposed the site of the san francisco presidio on march 28 1776 at what is today a point near the entrance to the golden gate bridge near fort point, **the soul in the brain the cerebral basis of language art** - this bar code number lets you verify that you re getting exactly the right version or edition of a book the 13 digit and 10 digit formats both work, **why are we rushing bikozulu** - if we are elements moving in a galaxy i think death is a furious asteroid headed our way the moment we are born the asteroid that will destroy us starts to move and it continues to build momentum and a rage of mortality as it approaches us, **cosleeping and biological imperatives why human babies do** - i am curious to know whether in the co sleeping debate how much attention has been paid to 1 the kinds of beds and sleeping environments that exist cross culturally and 2 the nature of nighttime sleep across cultures, **why death suffering creation com** - i m still not sure why you bother with the bible at all when you don t believe that it s god s word strong s is not a solid source because it s basically a gloss on the kjv and frequently commits the root fallacy but even this provides the meaning adversity, **brain bleach tv tropes** - a character has just witnessed something so icky so unsettling so horrific so weird that he must express his disapproval this is wrong on so many levels that a simple that s gross won t suffice only brain bleach can make things right the character informs the world that the continued knowledge of this subject is an unbearable affront to his sanity, **1889 reasons christianity is false 1889 reasons** - according to the bible god killed or authorized the killings of up to 25 million people this is the god of which jesus was an integral part, **elon musk s billion dollar crusade to stop the a i** - elon musk is famous for his futuristic gambles but silicon valley s latest rush to embrace artificial intelligence scares him and he thinks you should be frightened too, **slider content brain child magazine page 2** -
